THE DAV SCIENCE CLUB

Teacher co-ordinators: Mrs.Swarna Prabhakaran &Mr.NavneethaKrishnan

The science club activities for the academic year 2017-18 took off with the inaugural address by the resource person for IRIS Mrs. Hanna Murugesan in the month of June. An hour long session saw students getting an insight into the various probable fields and ideas that can be presented and introduced to the scientific community. It stressed on the need to start with a single – simple idea that can be developed into a concrete reality with research and more importantly with passion.

Students of class IX were taken on an educational field trip to DRDO where they gained first hand information on the important researches in the defence arena -- right from the technology to medical to food research. A spectacular display of army tanks left the students truly inspired.

As is the motto of our science club, encouraging quizzing is an integral part of activity every year, science quiz for classes VI to VIII on the topic “ WE AND OUR ENVIRONMENT ” was conducted in August and the best quizzers were selected and given prizes.

First prize winners are :

To inculcate scientific temper in students and to imbibe in them the qualities of a true scientific mind, Skits on the topic ‘LIFE OF SCIENTISTS’ by the students of class VIII showcasing not only the team work and enacting capabilities of our students but influencing subtly aspects like – systematic approach - perseverance – never give up attitude – observation – and many other qualities of a scientist.
